

Overview

Equine Science is designed to introduce students to the scientific principles of equine animal systems and to the equine industry. To prepare for careers in the field of animal science, students must enhance academic knowledge and skills, acquire knowledge and skills related to animal systems, and develop knowledge and skills regarding career opportunities, entry requirements, and industry expectations.

Topics

expectations

be kind
stay engaged
work hard

Beginning of class □ Take a seat, put your phone/headphones away, do your warm-up, submit any late assignments, and wait for further instruction.

During class □ Be an active participant in your learning. Listen, collaborate, and ask questions.

End of class □ Stay in your seat until dismissal by Ms. Thornton.

required materials

- ✓ Fully charged Chromebook
- ✓ Writing utensil
- ✓ Composition book
- ✓ A positive attitude

Grades

This course follows the school gradebook setup of 60% daily work and 40% assessments.

■ Assessment
■ Daily

LATE WORK:

Daily work is accepted late for 10 points off per day. Assessment work is accepted for 10% off per day late, up to 5 days.

MAKE-UP WORK:

Make-up work is accepted ONLY for excused absences. When absent, please check Google Classroom for make-up work. **IT IS YOUR RESPONSIBILITY TO RESCHEDULE MISSED ASSESSMENTS!**

technology

We will utilize Google Classroom daily as well as our compositions book. You need BOTH every day!

I will also use Remind, a texting reminder service. To receive texts, please send a text to 81010 with the message: []

academic dishonesty

Academic dishonesty will NOT be tolerated under any circumstances. Cheating, copying, or plagiarism of any form will result in the following consequences:

- failure of the assignment
- disciplinary referral
- parent contact

JUST DON'T DO IT.
